

Dear Attendees:

Thank you for joining our NJSBDC network's March 25th Disaster Loan webinar. We realize that some of you were not able to attend, but, we are following up to ensure you receive further guidance. Included in this email you will find the following information:

1. Webinar Recording;
2. Forms that need to be completed;
3. PowerPoint Presentation.

[March 25, 2020, Disaster Loan Webinar presented by NJSBDC](#)

We reviewed the online process, please note that the SBA had some technical issues and has now requested you complete paper copies.

The SBA is working diligently to meet customer demand for the EIDL and make the process as user-friendly and easy as possible for you. As the SBA makes changes, they will have update periods where website information/items/tools may be in flux. While this is happening now, they still want to make sure you have a way to complete and submit your application. If you have issues accessing the website, try clearing your browsing data/cache. Also, as updates occur, we will communicate any new updates.

Forms to be completed while making an online application
